VYKON by TRIDIUM

Niagara Cloud Training

Free Training | Limited seats available | VSIs receive a demo JACE

Join us and Sr. Vykon Channel Sales Rep Harry Grissom for a one day hands-on workshop that will provide in depth training on Niagara Cloud.

WHAT STUDENTS WILL LEARN:

- **Commercial updates and the latest features of the Niagara Framework**
- **Deep dives into the Niagara Cloud Suite's capabilities-** Explore the functionalities of services like Niagara Remote, Niagara Recover, and Niagara Data Service
- **Interactive Q&A sessions with Tridium technical expert Harry Grissom**
- **Vykon System Integrators receive a demo JACE unit upon successfully completing the workshop***

OTHER DETAILS:

- Only VSI will receive a free demo Jace from Vykon.
- After the training if a non-VSI would like to sign up to become a VSI then you will receive a free Demo Jace as well
- Equipment is limited to ONE demo unit per VSI (Company) attending (multiple attendees from a qualifying VSI will not receive additional demo JACE units.)
